HIS HONOUR the Lieutenant-Governor in Council has been pleased to make, promulgate and prescribe the following Rules and Regulations under the provisions of the "Dyking Debenture Act, 1897."

By Command.

JAMES BAKER,

Provincial Secretary.

Rules and Regulations for carrying out the Provisions of the "Dyking Debenture Act, 1897."

Whereas under an Act to authorise the redemption of certain Debentures issued for the construction of dyking works, and subject thereto to authorise the expenditure of additional moneys in the strengthening, extending and repair of certain dykes, the Government is authorised to purchase all or any of the Debentures more particularly described in the Schedule to the said Act, that is to say: Debentures issued by the District of Maple Ridge, amounting to \$80,000; Debentures issued by the District of Maple Ridge, amounting to \$46,000; Debentures issued by the District of Sumas, amounting to \$18,000; Debentures issued by the District of Coquitlam, amounting to \$70,000; Debentures issued by the Pitt Meadows Dyking District, amounting to \$60,000; Debentures issued by the District of Matsqui, amounting to \$50,000; and provision is also made by the said Act for raising by the sale of Debentures upon the credit of the Government of the additional sum of \$150,000, and the expenditure of the same in strengthening, repairing and extending the dykes:

And whereas the Lieutenant-Governor in Council has determined to raise the said sum of \$150,000, or so much thereof as may be necessary for the strengthening, repairing and extending of dykes within those districts desirous of the expenditure, and in respect of which purchase shall have been effected of the Debentures heretofore issued:

Now, therefore, it is hereby ordered by His Honour the Lieutenant-Governor in Council as follows, that is to say:

A.—As soon as the Lieutenant Governor in Council shall be satisfied, upon the report in writing of the Honourable the Minister of Finance, that a satisfac-

tory contract or contracts have been made with the holders thereof for sale to the Government of the hereinbefore recited Debentures of any or either of the said districts, or of a sufficient proportion thereof to warrant the Government, in the opinion of the Lieutenant-Governor in Council, in applying these Rules; and upon the Lieutenant-Governor being satisfied that such Debentures have been duly deposited with some chartered bank within the Province, to be delivered to the Finance Minister upon the carrying out of any such agreement, then the Lieutenant-Governor may, by further Order in Council, direct that paragraphs 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10 of these Regulations shall apply to the District in respect to the Debentures of which such satisfactory agreement has been made:

B.—The person to be appointed Inspector of Dykes, as provided in section 1 of these Rules, may be appointed for two or more Districts:

C.—The Finance Minister shall, within two months from publication of these Regulations in the British Columbia Gazette, make a final report of the Districts in respect of which agreements and deposits have been made, pursuant to section A hereof:

D.—Within three weeks afterwards the Inspector or Inspectors shall send in the report or reports mentioned in paragraph 2 of these Regulations, of the requisite amount expended and to be expended in his District in repair and for expenses, and the Lieutenant-Governor may then carry out the agreements for purchase of Debentures in the Districts reported upon, and may also borrow and raise in manner pointed out by the "Dyking Debenture Act, 1897," such sum of money not to exceed \$150,000, as may be requisite to meet the amount certified and reported by the Inspector or Inspectors:

E.—The purchased Debentures and the Debentures to be issued for repayment of the sum of \$150,000, or so much thereof as may be borrowed for the purpose of strengthening, repair and extension of dykes and the expenses thereof, shall bear a uniform rate of interest of $3\frac{1}{2}$ per cent. per annum, in addition to which interest moneys a sinking fund of $1\frac{1}{2}$ per cent. per annum upon the aggregate amount of purchased Debentures and new Debentures shall be payable for redemption of the same; such interest moneys and sinking fund shall be payable half yearly to the Inspector within and for his District, and shall be a charge upon the lands and be assessed against the owners thereof in manner provided by the "Drainage, Dyking and Irrigation Act, 1894," and recoverable by the same process:

F.—From and after the further Order in Council mentioned and referred to in paragraph A hereof, the following regulations shall apply to the District mentioned in such further Order in Council.

1. The powers of the Commissioners holding office under the "Drainage, Dyking and Irrigation Act, 1894," shall forthwith cease and determine, and their appointments shall become null and void, and thereupon all the powers and authorities heretofore exercisable by the Commissioners shall be transferred to and be exercisable by an officer to be appointed by the Lieutenant-Governor in Council, to be called the Inspector of Dykes. The Commissioners shall forthwith hand over and give up possession to the Inspector of all books, papers, accounts and documents relating to the works.

2. Forthwith after his appointment the Inspector of Dykes shall report to the Lieutenant-Governor by certificate in writing under his hand the requisite amount to be provided for expenditure in his district under the following heads:—

(a.) The strengthening, repair, completion and extension of the dyking works, including all charges for salaries and expenses of inspectors, engineers, the officers mentioned in the "Drainage, Dyking and Irrigation Act, 1894," and any other officers requisite in fulfilling the premises, and also all incidentals:

(b.) The maintenance of the dyking works during the currency of the Debentures, including the collection of rates and the payment of salaries and expenses of all officers and all incidentals:

(c.) The amount of the expenses heretofore incurred by the Government on account of supervision, inspection and otherwise.

3. In the event of any rates or assessments becoming delinquent and having been advanced by the Finance Minister under section 8 of the "Dyking Debenture Act, 1897," the same shall bear interest at the rate of 8 per cent. per annum until paid, and the Inspector

shall at any time, upon warrant directed to him under the hand of the Minister of Finance setting forth the amount of interest accrued, raise and levy the same together with the costs and expenses of the levy by special assessment, and the same may be recovered by distress and sale of the goods of the persons liable to pay the same.

4. The Inspector shall account for and pay all moneys levied, collected and received by him by virtue of his office from time to time to the Finance Minister, who shall keep two accounts with the District in respect of such moneys, one to be called "The Interest Account," the moneys to the credit of which account shall be expended as the general revenue of the Province, and the other account to be designated "The Sinking Fund Account," the moneys to the credit of which account shall from time to time be invested at interest upon such securities and in such amounts as the Lieutenant-Governor shall from time to time determine.

5. The salary of the Inspector shall be fixed by the Lieutenant-Governor in Council, and shall be paid monthly, and his travelling expenses shall also be fixed and allowed by the Lieutenant-Governor in Council, who shall also in case the Inspector shall act for more than one district, apportion his salary and allowances between the districts, and the salary and allowances, or the proportionate part thereof, shall be charged against each district as a portion of the expense of constructing the dykes.

6. Sections 3, 4, 5, 6, 7, 8, 9, sub-sections (c), (d), and 2 and 3 of section 12, the last nine lines of section 16, sections 21, 49, 50, 51, 52 and 53, of the "Drainage, Dyking and Irrigation Act, 1894," shall not apply to the works to be carried on under these Rules, nor to the Inspector to be appointed hereunder, but the remainder of the said Act shall *mutatis mutandis* apply except that wherever Commissioners, or a majority of them, are referred to in the said Act the Inspector of Dykes alone shall be held to be substituted, and wherever in the said Act moneys are authorised to be collected and received by the Commissioners for their own use, or no reference is made to the appropriation of such moneys, the same shall be accounted for and paid into the Treasury.

7. Before entering upon the duties of his office the Inspector shall take an oath (which shall be filed in the Provincial Secretary's office) before a Justice of the Peace, and also give security to the satisfaction of the Lieutenant-Governor in Council to faithfully perform the duties of his office. The Lieutenant-Governor in Council may likewise require any other officers or persons employed under the Commissioner to be sworn and to give adequate security for fulfilling their office.

8. The Lieutenant-Governor in Council may appoint the several officers mentioned in section 21 of the "Drainage, Dyking and Irrigation Act, 1894," and may fix their salaries, which salaries shall be paid in like manner as the salary of the Inspector.

9. The Inspector of Dykes shall in respect of so much of the sum of \$150,000 as shall be required and borrowed for his District, issue Bonds or Debentures at par payable to bearer in 40 years from the date thereof, in such amounts as shall be designated by the Lieutenant-Governor in Council, bearing interest at the rate of 3½ per cent. per annum payable half-yearly, and such Debentures shall be countersigned by the Finance Minister and shall be by him deposited to the Order of the Government in some Chartered Bank in the Province, and collateral to such Debentures and Bonds the Inspector of Dykes shall issue and execute a deed in trust of such fines, rates and assessments, or any of them, and of the Sinking Fund created thereout, in favour of the Finance Minister, who, and whose successor in office, shall hold and deposit the same in the Treasury to the credit of the Province, and the said deed shall be drawn so as to secure the payment of the said Bonds and Debentures in such manner as shall be satisfactory to the Lieutenant-Governor in Council, and shall show the lands in respect of which the fines, rates and assessments given as security may be recoverable, the extent to which such lands shall be separately charges in respect of such loan, and contain such powers, conditions and agreements as the Lieutenant-Governor in Council shall require.

10. The works to be carried on under authority of these Rules shall be executed under the "Public Works Act," and the Inspector of Dykes and officers referred to in paragraph 8 hereof, shall be held to be an officer of the Lands and Works Department.

Clerk of the Privy Council.

REGULATIONS governing the grazing of cattle on Dominion Lands within the Railway Belt in the Province of British Columbia, approved of by an Order of His Excellency the Governor-General in Council dated the 15th day of July, 1897.

Interpretation.

1. In the construction of these regulations the word "cattle" shall include horses, mares, geldings, colts, bulls, bullocks, cows, heifers, steers, calves and mules.

Commons.

2. The Minister of the Interior may, upon the application of two-thirds in number of the residents in any tract of land not less than a township in area, cause to be proclaimed in the Canada Gazette a portion of the Crown Lands in such tract to be a common, upon which such residents may depasture their cattle subject to the provisions of these regulations; and the Minister of the Interior may from time to time alter, modify, cancel or repeal any such Proclamation.

3. The extent and situation of any such common shall be defined and proclaimed by the Minister of the Interior in the Canada Gazette and the British Columbia Gazette, but in no case shall any such common exceed twenty-five miles in area, nor shall lands within such common be reserved from homestead entry or sale or other disposition by the Minister of the Interior.

4. No sheep or swine shall be allowed to be pastured or kept on any such common, except while being driven from one district to another, and if the owner of any sheep or swine shall depasture or keep the same on such common, except as aforesaid, or shall in passing over such common permit the same to remain thereon for a longer period than twenty-four hours, he shall be liable to a penalty of not more than fifty dollars, to be recovered in a summary way before any Justice of the Peace, and in default of payment shall be imprisoned for any period not exceeding one month.

5. There shall be levied and paid upon and in respect of the cattle of every person depasturing or keeping the same upon such common, such sums as the Minister of the Interior may from time to time fix, which sums respectively shall be paid by the persons assessed before the 15th day of November in each and every year, to such officer as the Minister of the Interior shall appoint. Such sums shall not be less than ten cents or greater than twenty-five cents for each head of cattle so depastured or kept upon such common.

6. Every person pasturing or keeping cattle as aforesaid shall cause a return to be made to such officer on the first day of August in each and every year, according to the form in the schedule hereto, of all such cattle, and if any person shall fail or neglect to cause return to be made, or shall make a false return of the cattle depastured or kept by him on any such common, or shall omit to deposit the same with the said officer in manner hereby required, or shall refuse or neglect to pay the assessments hereby required, he shall be liable upon conviction to a penalty of not more than twenty-five dollars, to be recovered in a summary manner before any Justice of the Peace, and in default of payment thereof shall be imprisoned for any period not exceeding one month.

8. The Board shall consist of five members who shall retire annually, and shall be elected by the votes of persons actually *bona fide* resident in such tract, but no person shall be entitled to vote who is not a male freeholder, homesteader, or leaseholder for a term of not less than six months, nor shall any person be eligible as a candidate for the Board unless he shall have been duly qualified to vote for three months previous to the election.

9. Each voter shall have five votes, but shall not be allowed to give more than one vote to each candidate.

10. The votes of the electors shall be given in person by the voter, and the person appointed by the Minister of the Interior shall act as Returning Officer, and shall decide all questions as to qualification and disqualifications of the members elect. The first election shall take place on such day as the Minister of the Interior may appoint.

11. If any person shall cease to be a freeholder, householder, homesteader, or leaseholder for a term of not less than six months, or shall be convicted of a felony or misdemeanour, or of any malicious contravention of these regulations, or of any by-law in force in the tract made in pursuance of these regulations, he shall *ipso facto* vacate his seat in each case and not be eligible for re-election, save that a member vacating his seat only by reason of ceasing to have the qualification hereinbefore required shall be again eligible at any time upon his again becoming possessed of the necessary qualifications.

12. Whenever any member shall absent himself from five or more consecutive meetings of the Board, whether regular or adjourned meetings, he shall, upon a resolution passed by the Board to that effect, be considered to have vacated his seat therein.

13. The Board of Overseers shall fill, by appointment, all vacancies which may arise in the said Board when the same may occur, and such appointees shall hold office until the general election.

14. The Board shall, subject to the provisions of the land laws and regulations in force for the time being in the Railway belt, have power to make by-laws regulating the depasturing of cattle, sheep and swine,

15. The said by-laws shall be submitted for approval to the Dominion Lands Agent residing nearest to the tract in which the said Board are elected, and any by-laws so approved by the Government Agent, or such other person as the Minister of the Interior may appoint, shall be immediately posted in the office of such agent, and a copy thereof shall immediately be forwarded to the Minister of the Interior.

VANCOUVER REGISTRY,
August 19th, 1897.

IN THE SUPREME COURT OF BRITISH COLUMBIA.

Between
The Golden Cache Mines Company, Limited
Liability, Plaintiff:
and
The Mineral Point Mining Company, Limited
Liability, Defendant.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith.

To The Mineral Point Mining Company, Limited Liability, of the City of Vancouver, in the Province of British Columbia.

WE COMMAND YOU, that within eight days after the service of this writ on you, inclusive of the day of such service, you do cause an appearance to be entered for you in an action at the suit of The Golden Cache Mines Company, Limited Liability, of the City of Vancouver, B. C.

And take notice, that in default of your so doing, the plaintiff may proceed therein, and judgment may be given in your absence.

Witness, the Honourable Theodore Davie, Chief Justice, the nineteenth day of August, in the year of our Lord one thousand eight hundred and ninety-seven.

J. H. Senkler, plaintiff's solicitor.

N.B.—This writ is to be served within twelve calendar months from the date thereof, or, if renewed, within six calendar months from the date of such last renewal, including the day of such date, and not afterwards.

The defendant may appear hereto by entering an appearance either personally or by solicitor at the office of the District Registrar of this Court, at the Court House, Vancouver, B. C.

The plaintiffs' claim is that the plaintiffs by virtue of a lease from the Gold Commissioner, acting for the Crown, dated the 3rd day of April, 1897, of a certain mill-site, claim an adverse right to the so-called Mineral Point Mineral Claim, whereof the defendants allege they are the owners, situate in the Lillooet Mining Division of Lillooet District, Cayoosh Creek. The plaintiffs limit their adverse claim to so much of the so-called mineral claim as is included within the premises demised to the plaintiffs as aforesaid, and the plaintiffs claim a right of way thereto and entry on the so-called mineral claim to their said leaseholds. The plaintiffs further say they are in possession of the said leasehold premises and claim a declaration that they are entitled thereto as against the defendants.

This writ was issued by John Harold Senkler, of the firm of Wilson & Senkler, whose address for service is Inns of Court Building, corner of Hastings and Hamilton Streets, Vancouver, B. C., solicitor for the said plaintiffs, who carry on business at No. 611, Hastings Street, Vancouver, B. C.
